

Proscore Electronic Scoring System Rental Request

Texas USAG now has 2 separate Proscore units. These units are available for rental. Persons / Clubs renting the units are responsible for making arrangements to pick up and return the unit to the state officer in charge of the unit.

_____ **South Texas Scoring System** includes 6 Display units for competitor name and Score, Wireless Radios, back up cables and other support items (Unit stored in the Houston area). Contact Diane Callison. The rental DOES NOT include the Proscore software for computer scoring, which is copy write protected.

_____ **North Texas Scoring System** includes 4 Display units for competitor name and Score, Wireless Radios, back up cables and other support items. (Unit stored in Fort Worth Area). Contact Scott Crouse or Lone Star Gymnastics. The rental DOES NOT include the Proscore software for computer scoring, which is copy write protected.

Note: The score display case requires a vehicle that can adequately transport a 2' wide x 2' high by x 5' long case. Cables are housed in a roll on luggage bag and a wireless radio case which is approx 18" x 24'. Most SUV or Pickup trucks easily handle the unit and support cases.
